

3-Way Gym Bag – An All-Rounder

Does your exercise constantly get interrupted by not having the required stuff in your bag pack? Well, we got your problem solved. Here is a 3-way gym bag that is giant enough to occupy all of your essentials that you can need during your workout.

You might be thinking the stuff will feel heavy on your shoulders. But surprisingly, the bag is featherweight with soft straps and a rubber handle. The padded back support will help to carry it thoroughly out the journey.

Who doesn't like to put their hands down on an all-rounder pack? Amazingly, the bag can turn into a holdall, shoulder bag, crossbody bag, sports bag, overnight bag, or backpack – transform it into the shape of your desire. Its detachable straps and strong hooks can easily endure the pressure of heavy equipment.

The bag pack includes a zipper puller which is manufactured from rubber and metal to prevent any tear or damage. It's easy to close and open, providing you a chance to reach your stuff whenever you needed. 30L storage along with the compartments and front pockets allow you to fit all the required objects in one place.

To keep it hard against the weather conditions, a polyester ripstop is added in its manufacturing which extended its functionality as well. Eye-catching appearance can get the attention of athletes in no time. Flamboyant colors also embody athlete spirit to perform more vigorously.

Make your workout easier with the exclusive 30L gym you will ever need in your closet.
