

November 19, 2021 - Regards Thomas Accu-Sim aircraft in my hangar: C172, C182 , P51 Civ, P51 Mil, B17, Spitfire, P47, B377 COTS, J3 Cub, T6, Connie, P-40, . He was here when we were preparing for our first dogfight. I could see him in the hangar. He was in his own hangar and his wings were in place. Still in the hangar. Still here. But this was different. I reached for the handle and opened the door. This time without a doubt, with confidence, I was there. I couldn't believe he was still in his place. It was my very first plane and it's still there. I took a step and walked through the door, stopping in front of him.
