Life has been full, with many activities, much going on, and also one family member who has been sick and our family holiday in Croatia. In fact the things I have been doing lately have been mostly as a result of my grandmother's health. My grandmother doesn't really read this blog, so I don't know if she's even aware of all the things I've been doing, but that's okay. I'm a caregiver, I'm a family member and I'm here for my grandmother. She has a
