I want to have a line between two objects which is of one mm thickness, how can I do this? I tried to use `\rule{1mm}{1mm}` and `\line` but they do not give me the thickness of the line. `\documentclass[10pt]{book}`

```
\usepackage{graphicx} \usepackage{tikz}
\usepackage{tikzpagenodes} \begin{document}
\begin{tikzpicture} ode[draw] (A) {A}; ode[draw] (B)
{B}; \draw[thick] (A)--(B); \end{tikzpicture}
\end{document}
```

A: You could use a single `\linetest`

macro which first draws a zero-width line, then gives the width `\documentclass[10pt]{book}`
`\usepackage{tikz}` `\usepackage{tikzpagenodes}`
`\ewlength\linewidth \ewcommand{\linetest}[2]{%`
`\ifnum#1=0 \setlength\linewidth{0.4pt}% \else`
`\setlength\linewidth{#1}% \fi \ed`

Accordingly, the district court's judgment is AFFIRMED. 4 Getty Images Dolphins running back Reggie Bush is back in Miami after he played for the Bears earlier this year, and with Jay Cutler out with a broken thumb, Bush is once again in the role of the unquestioned starter. Bush was asked

Tuesday about that possibility and said it was no different than being the starter last year. “It’s no different,” Bush said, via Phil Helms of the Miami Herald. “It wasn’t different last year. Being here this year and we had a very bad season last year, I feel like I’m a leader on this team. I’m going to try to use my voice and bring the guys together and do anything I can to give myself and this team an opportunity.” Bush has been a “leader on this team” in the past, although it didn’t seem like much was accomplished last year, so maybe he needs a change of scenery to create some real improvement. With Jay Cutler out, Bush may be the best player on the roster, but he’s also been
