
Oxford English To Urdu Translation Software Free Download __HOT__

May 26, 2020 – The Oxford English Urdu Dictionary is the most authoritative language tool available for the Urdu language in Pakistan and India. It is produced by OEEL in collaboration with the University of Oxford. This is an open source online dictionary.

The dictionary was created in 1970 under the name "Urdu Language" together with the University of Oxford. Currently, there are almost 3,000,000 words and phrases in the dictionary. It is the largest online Urdu dictionary available on the Internet. The dictionary is also available in both printed and digital form through the OEEL App using the OEEL App. The dictionary is also available in other languages.
