Aspire recommends students to start using the A1English Interactive Studybook as early as possible in order to prepare themselves for the SAT or ACT. This book provides a wide range of resources from vocabulary, grammar, to reading, writing and grammar explanation. It is designed to provide students with the support needed to master the knowledge required for the exams. It is available in English, Chinese, Japanese, Spanish, French, German, Portuguese, Arabic and other languages. Grammar Power is an interactive educational software that helps students in the area of grammar. It introduces students to grammar by first explaining grammar structures and then introducing them to real-life examples. Students can use Grammar Power to learn how to analyze the grammatical features of sentences, learn how to recognize and construct sentences, to produce correct and effective sentences, and to comprehend the functions and objects of verbs. Grammar Power includes a Visual Editor, which allows students to visually explore the structures of sentences, and a Sudoku-like game, which helps students to exercise their analytical skills. Grammar Power includes a range of topics for use in self-study and in class, including: * Sentence structure and

What's New in the Cloze Wizard?

With Cloze Wizard you will be able to create texts in a number of different formats, ranging from text to HTML, and save these files to your hard drive. You will be able to create texts of any type, but we have focused on making texts for your students to use as cloze passages. You can set Cloze Wizard to remove only one, two, or all of the words in the text, and you can make several parts of the text the same for the same words. You can also easily add links to any web page you choose. We have taken a lot of care in making the site easy to use. We hope you will find that Cloze Wizard will be very useful for you in your English teaching. Cloze Wizard Features: Create multiple formats text Change the look and feel of the text Convert text to html Print out and save text in a variety of formats Make multiple part text the same words Make different parts of text the same for the same words Create text that is the same for all words Add links to your web site Cloze Wizard is a powerful teaching utility that allows for quick and easy production of cloze passage exercises and a range of other language based worksheets.
