This happens because the pet has given them up and been found by other owners. The pet thinks that it is another dog which is why it acts in a manner that others consider normal. To resolve this problem, one needs to first understand the problem that a dog may be behaving in this manner. Semi-professional light and medium trap rifle for sale on craigslist. I am a life time recreational shooter. I purchased this gun for target practice and for little ones to learn on. It is made in Mexico. Comes with two complete scopes, magazine, bipod, cleaning kit, and gun case. The barrel has markings of 9.0 & 9.5mm ammo. The safety is still operable and can be adjusted to 2 settings. Condition is good, no cracks, no dings, no scratches and no broken parts. The buyer should pick up, it is in the Richmond, VA area and is being shipped via DHL or USPS. There are no local pick ups available. Don't waste your time bidding 595f342e71
