FIFA lets you play the game you love, with all the excitement of the world's game. Choose your favourite team and set off on a mission to become the best player in the world. Play with your friends online, or take on rival teams in the FIFA Championship mode and experience the thrill of the world's game on your TV. FIFA is more than just a football game, it's an immersive sports experience you can share with the world. In Football, FIFA blends dynamic gameplay, realistic graphics and sport-specific detail to create a game that's totally immersive. Prove yourself as a master tactician by taking charge of your very own team of footballers and take on the world in FIFA's most authentic football game yet. Core Game Modes The PES series has long been a technical benchmark for football games, and FIFA 22 builds on this legacy by refining and broadening its core game modes. FIFA Ultimate Team FIFA Ultimate Team remains the most popular mode for players looking to build and manage their very own team of football superstars, and FIFA 22 adds several new challenges and challenges the game's greatest players into a new league. The game's traditional skills challenges have been revamped to include an expanded range of new challenges, such as dribble tests, catch and shoot tests and precision crosses. Ultimate Teams can also now be formed for the Xbox One X, providing players even more ways to show off their team to the world. FIFA 22 allows players to collect their favourite squads in FIFA Ultimate Team Cheats, which unlock both new skills and items as well as new challenges. There's also a whole new 16-person Legacy Cup, which can be accessed directly from the main menu, allowing players to build a legendary version of their favourite team. In addition, the main menu and packs can now be individually previewed on screen, while Ultimate Team Leaderboards are back. Online FIFA is known for being one of the most competitive football games around, and with major improvements to Ultimate Team modes and new online tournaments and leagues, FIFA 22 is ready to take the online community by storm. The online party system can now be customised by adding friends from across the world, and allows for quick games or tournaments of up to 64 players to be organised directly from your My Club page. The Party system is also now fully integrated with the
