

Scrub a Dubdub – Squeaky Clean Baby Just a Wipe Away

Bath time is the most dreaded time of the day for every parent. Handling a whiny baby here, fumbling with a wet soap there, and running around the restroom looking for a brush, there are just too many tasks to manage. Why not make this duty easier by welcoming the [Scrub a Dubdub](#) to your life? It is a two-in-one bath time essential that combines a soap dispenser and a cleaning brush.

Multifunctional

Get your hands on the Scrub a Dubdub and ensure splashing fun during bath time. Its interior includes a hollow space where one can pour shower gel or shampoo. The generous space will cover multiple baths with only one filling. As you scrub your baby clean using the soft bristles, the soap will automatically ooze out, leaving your baby with squeaky-clean and fresh skin. This lovely scrubber is made of baby-friendly, BPA-free silicone so that you can rest your worries.

Offers Total Control of Movements

The Scrub a Dubdub is designed with premium quality material to offer an anti-slip firm grip and prevent the scrubber from falling, keeping your baby out of harm's way. This nifty device works wonders on all skin types, whether dry or sensitive. Comfortable and soft silicone bristles provide plenty of bubbly soap while making infant bathtime fun.

Easy Steps for Care

Getting rid of unwanted gunk from the scrubber is straightforward. The Scrub a Dubdub can be placed in the dishwasher, cleaned with a disinfectant wipe, and boiled in hot water. This helpful gadget makes an ideal gift for every parent. Every time they give a stress-free shower to their baby, they'll have you to thank.
