Meet Fawzi

I'm Fawzi Hamze, CEO and founder of The Assets Advisors (We are also Luxury's Partners Too!). With seven years of successful experience in Dubai luxury real estate, I welcome all high-net-worth individuals (HNWIs) interested in our many luxury properties in the tax haven city of Dubai.

I started my career in private banking, a path that opened doors in assets, investments, and wealth management. You've heard of Emaar Developments — they are the developers behind the Burj Khalifa and other select properties in Dubai. I collaborated with EMAAR during my transition into luxury real estate.
