Island Tree Company

FOUNDER

Island Tree Style tree company offers professional and efficient services for the safe removal of trees in Maui. With a team of experienced arborists who utilizes advanced techniques and equipment to handle any tree removal project. Our experienced team of professionals offers the most reliable and affordable tree removal in Maui.

Our Services

We offer many arborist tree care planting and fertilization services but specialize in pruning, takedowns, and removing diseased and invasive trees. We can also perform technical and critical rigging operations to protect your assets. We maintain trees to help prevent storm damage; we remove trees when they are compromised by poor health, damaged in storms, have become a threat to existing structures, or have outgrown their location.
