Delta Airlines, commonly referred to as Delta, is one of the major airlines in the United States and a global leader in the aviation industry. Founded in 1924 as Huff Daland Dusters, the airline has grown to become a prominent player in the commercial air travel sector. DELTA AIRLINES CANCELLATION POLICY

Delta Airlines had a specific cancellation policy in place. However, please note that airline policies are subject to change, and it's essential to verify the latest information directly with Delta Airlines or check their official website for the most up-to-date policies. Here is a general overview of their cancellation policy as it stood in 2023:

Delta Airlines Cancellation Policy (Before September 2023):

- 1. 24-Hour Risk-Free Cancellation:** Delta Airlines offers a 24-hour risk-free cancellation period for all ticket types, including non-refundable tickets.
- 2. Refundable and Non-Refundable Tickets:** Delta offers two main types of tickets: refundable and non-refundable. Refundable tickets allow you to cancel or change your flight at any time without incurring a penalty.

CHECK DELTA AIRLINES FLIGHT STATUS

I don't have real-time capabilities to check the current status of Delta Airlines flights or any other live data. To check the status of a Delta Airlines flight, you can follow these steps:

1. **Visit Delta Airlines' official website:** Go to Add a little bit of body text on your web browser.
2. **Navigate to the Flight Status page:** Look for the "Flight Status" or "Check Flight Status" option on the website's homepage. It's usually located in the top menu or a prominent area of the page.
3. **Enter flight details:** You'll need to provide specific information such as the flight number, departure date, and departure/arrival cities.
4. **Check the status:** After entering the required details, the website will display the current status of the flight, including departure and arrival times.
5. **Mobile App:** Alternatively, you can also check the Delta Airlines Flight Status, which is available for iOS and Android devices.

DELTA AIRLINES NAME CHANGE POLICY

As of my last update in September 2021, the following information represents Delta Airlines' name change policy.

Delta Airlines Name Change Policy: Delta Airlines generally allows passengers to make name changes on their tickets, but the specific rules and fees associated with name changes may vary depending on the ticket type, fare class, and the reason for the name change.

1. **Spelling Corrections:** If there is a minor spelling error in the passenger's name, Delta Airlines may make corrections free of charge. This typically applies when the name change does not involve a change of the actual passenger.
2. **Full Name Change:** If you need to change the entire name on the ticket due to legal reasons or a significant error, such as a misspelling that renders the name unrecognizable, Delta may require you to purchase a new ticket and cancel the existing one. In such cases,
